Local Food Entrepreneur names product line for Mabel Dodge Lujan

By Patricia Chambers

Cynthia Huff was so fascinated by the stories about Taos' art patron Mabel Dodge Lujan that she decided to name her new food product line after Lujan.

Mabel's Mac and Cheese and Mabel's Mac and Cheese with Green Chili

and Mabel's Mac and Cheese KIDS are the first products Huff has produced with the help of the Taos County Economic Development Center kitchen in Taos.

"It was the perfect name for an old fashioned comfort food and honoring Taos' own Mabel Dodge Lujan seemed fitting" says Huff.
